"We never thought to craft our story the way Kat and Katie suggested. We are connecting with our audience much more effectively for grants and our capital raise."

-Founders of Tampon Tribe

"Your expectations of the pitch and audience who's receiving the pitch has been worth its weight in gold. Understanding how to communicate that to us takes so much stress out of the process."

-Founder of Chlanalytics

OVERVIEW

Power To Pitch offers a virtual "Pitch Path" Course & Community, to help startup founders go from confused & frustrated about pitching to confident & prepared so they can concisely talk about what they do in order to take advantage of funding opportunities to get funded faster.

OUR CORE

- **WHO WE SERVE:** startup founders with a validated MVP & less than \$6M in current funding or revenue
- Create a **60-second & 5-7 minute** investor pitch
- Tailored **pitch, deck & presentation coaching**
- Access to our curated list of **VCs** and over **100+ grant** opportunities unique to your industry & stage
- Weekly group coaching via Zoom & private community
- **Access to Kat, the Expert Storyteller:** Won 22 of 23 pitches for 6-figures of capital to scale her first company. She successfully exited and now focuses solely on Power To Pitch.
- **Access to Katie, the Investor:** Active angel & advisor with a 25-year background in finance, now PTP partner.
